English.How to Kill Your Inner Critic We all have some form of internal or external criticism in our mind. It will be either internal (critical thoughts) or external (a critic in the form of a family member, friend, or even a partner). But it can be difficult to find a way to deal with it. Most of the time, when we hear it, we discount it or we believe it is true. As a result, we will not try to get rid of it. I have asked many people if they have a criticism in their mind, and the answers I get are very varied. b7e8fdf5c8
