Gameplay Players compete for the world title of Ski Resort Tycoon by building, maintaining and running ski resorts in different locations around the world. Players can engage in two modes of gameplay: career mode and freeplay. Career mode consists of three game seasons and the championship. Players earn money by selling their own products, which are items sold in the resort shops. Players also earn points by building and managing their resort. The game uses a proprietary EA Sports game engine. The game has around 150 skiing locations in 12 countries. Reception Ski Resort Tycoon II was met with positive reviews, although it has received mixed reviews. In a joint statement with the Freedom Foundation, Muslim Advocates President and CEO Farhana Khara said the proposed amendment would protect the rights of religious minorities to engage in their own form of civil marriage, including religious marriage or a marriage ceremony where there is no state-recognized marriage or civil union. "With the ruling on DOMA and Windsor, religious liberty is now in peril for LGBT Americans," she said. "With this ruling, the Supreme Court has essentially provided cover for a kind of marriage that has been practiced in this country for hundreds of years, one that has not infringed on anyone else's religious liberty." The proposed amendment would ensure that the government cannot discriminate on the basis of religion or burden religious practice. "When the government impedes or penalizes practices based on religious views that are historically and constitutionally protected, it violates the separation of church and state that protects religious liberty," Khara said. "Because the government has historically recognized the importance of religious liberty in the United States, we have an obligation to ensure that the government does not compromise religious liberties or endanger them." The proposed amendment would protect all religions in the United States, including Hindu, Muslim, Baha'i, 82157476af
